

## **Wags & Tales Reading Program** **Volunteer Job Description**

### **Library Reading Program**

In early 2002, the Broward County Library approved a partnership agreement with the Humane Society of Broward County to facilitate the Animal Assisted Therapy (AAT) Program, Wags & Tales.

Wags & Tales is a research based reading motivation program for kindergarten through fifth grade. Certified AAT dogs and their handlers visit children at selected libraries to help strengthen reading skills.

This program enables children to read an age-appropriate short story of their choice to an AAT dog. The intent of the program is to make reading fun and boost the child's confidence in reading out loud. Children are pre-registered at the library of their choice for special reading time with a therapy dog.

### **Orientation & Training**

- Volunteers interested in this program must attend the general HSBC Volunteer Orientation.
- Volunteers must attend the AAT pre-requisite class.
- Volunteers and dogs must attend an AAT advanced obedience class.
- Volunteers and dogs will be evaluated for this program.
- Volunteers and dogs will attend a specialized training session for the Wags & Tales Reading program.
