

To encourage pet owners to provide training for their companion animal and also to assist the community in these times of economic hardship the Humane Society of Broward County is offering a coupon for our services. The 10 percent off coupon would be good for any training and behavior services for your cat or your dog. Just download the coupon and mail it in with your paperwork when you register for a class or just bring it with you if you are attending a private counseling session, puppy class or lecture.
